Friday, May 20<sup>th</sup> (4:00pm-6:00pm) - Make-up Day

LOCATION: Jeffery's Photography Studio

Pictures will be done on a first come basis, but we need everyone to sign-up for a time-frame to ensure not everyone comes at the same time. If you are a little early or a little late (as long as still in the picture day time-frame), you may still come.

It is best to come ready, in costume with tights and their hair and make-up done so they will just have to change into their dance shoes before getting their picture done.

Please have the picture envelope filled out and ready to go when you arrive, if possible. More envelopes will be available at picture day if you are choosing to do more than 1 pose/costume.

Your teachers will be there to help assist in any additional questions that you will have for the day. If you are unable to make it for picture day, you may call his studio and he'll be able to find a time/day to get your pictures done still.

Pictures are not a mandatory event, but is available for anyone who would want them done. There are only individual/family pictures and no class pictures being done.
